Security Services North America

– Sales Development H1 2016

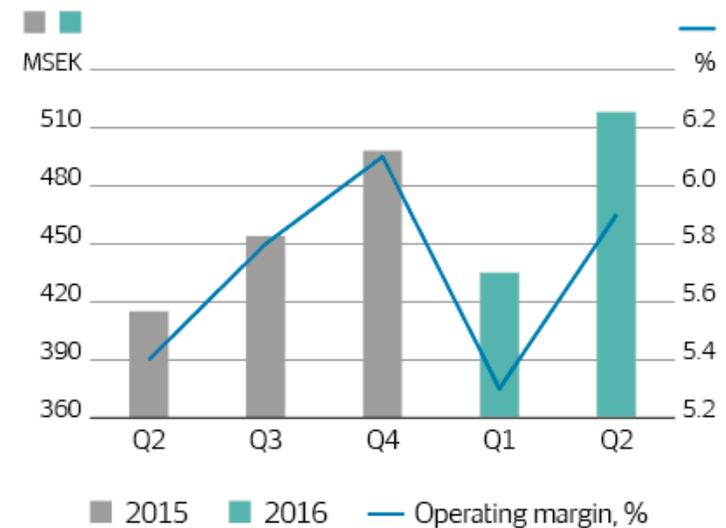

- Organic sales growth 6% (4), driven by good portfolio development and high extra sales in Q2
- Our strategy of increasing sales of security solutions and electronic security also supported organic sales growth
- Positive sales development explained by the consolidation of the acquired Diebold Electronic Security in North America (Securitas Electronic Security)

Security Services North America – Income Development H1 2016

- The operating margin was 5.6% (5.3)
- Leverage of the cost base and the inclusion of Securitas Electronic Security on February 1, 2016, were the main reasons behind the improvement

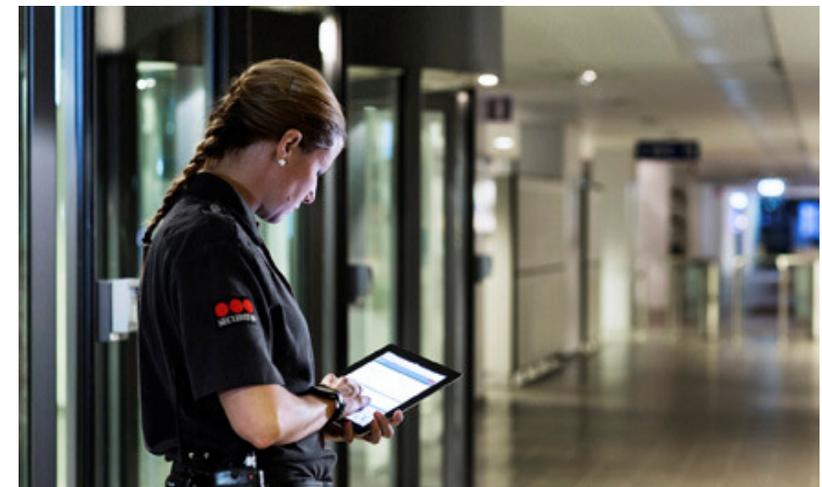

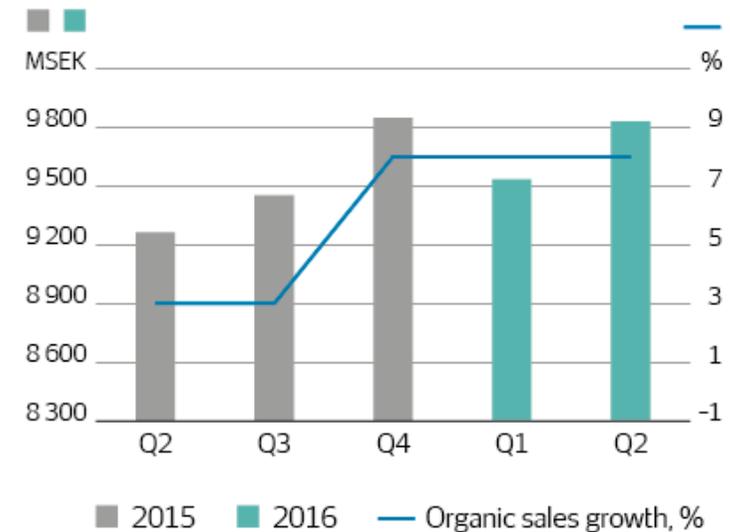

Security Services Europe

– Sales Development H1 2016

- Organic sales growth 8% (3), driven by positive portfolio development and higher extra sales
- The increased security needs due to the refugee situation and terror attacks represented about half of the organic sales growth, affecting primarily France, Belgium, Germany and the Nordic countries
- Some of these services are expected to reduce during H2 2016
- Our strategy of increasing sales of security solutions and electronic security also supported organic sales growth

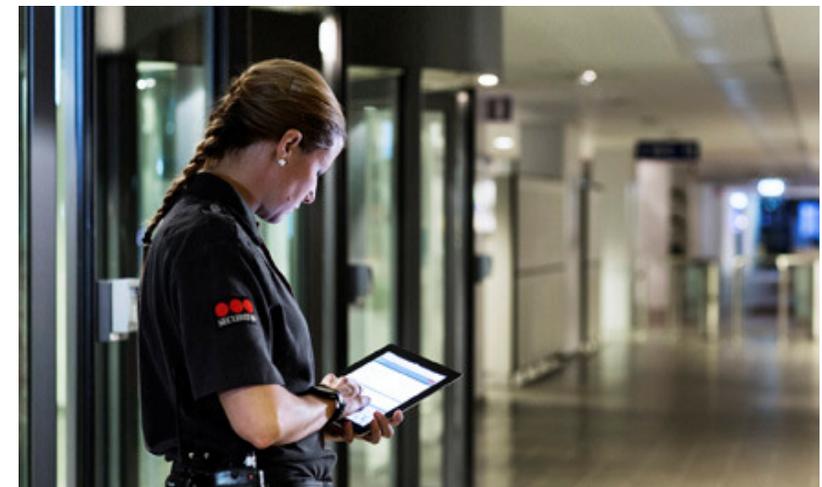

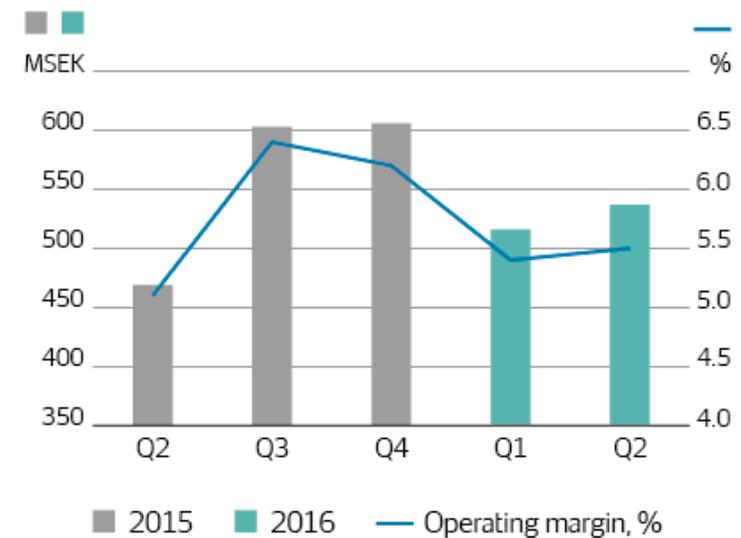

Security Services Europe

– Income Development H1 2016

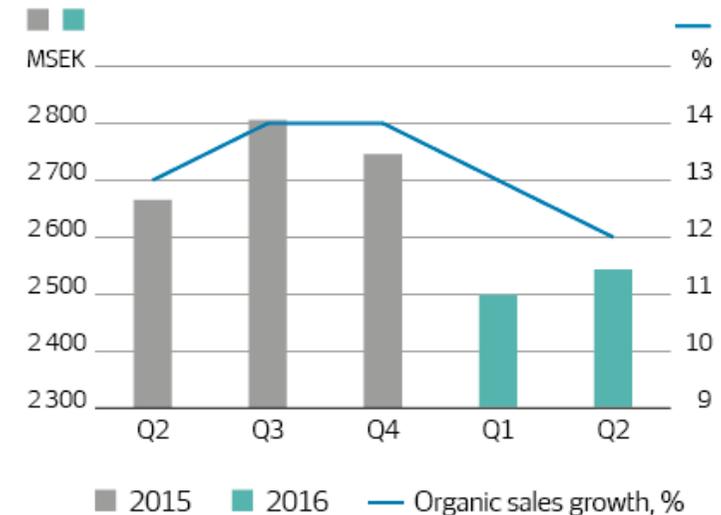

- Operating margin 5.4% (5.1)
- The high organic sales growth impacted positively through leverage of the cost base

Security Services Ibero-America – Sales Development H1 2016

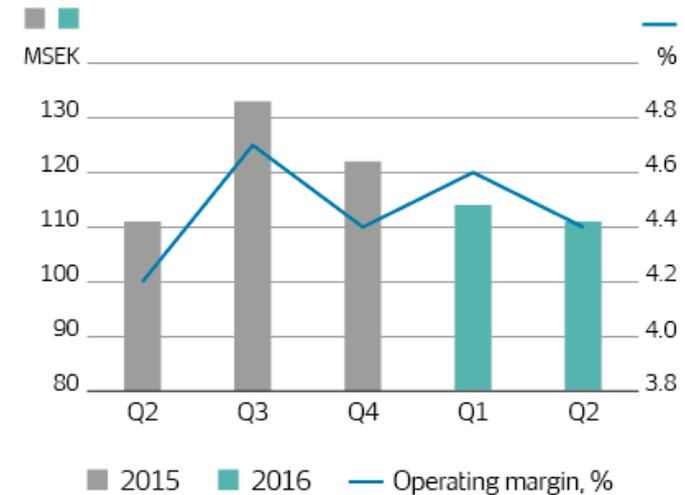

- Organic sales growth 13% (12), an improvement driven by Colombia, Peru and Portugal
- The Argentinian sales volume declined due to the devaluation of the Argentinian peso
- The organic sales growth was 22% (25) in Latin America
- Our strategy of increasing sales of security solutions and electronic security also supported organic sales growth

Security Services Ibero-America – Income Development H1 2016

- Operating margin 4.5% (4.4)
- The positive development was driven by Spain and Peru, however partly offset by the devaluation of the Argentinian peso as Argentina has a higher than average operating margin in the business segment
